

The “Discover the Power” (DTP) 3 Day Intensive is the foundational program in the NeftTI professional training series. This program is designed to give you the EFT skills and knowledge required to use EFT for clearing personal blocks that hinder success and fulfillment.

Discover the Power

November 2,3,4 Workshop

The program uses hands-on, experiential, and practical exercises to make sure students walk away with the ability to apply EFT safely and ethically in their own lives and in the lives of people they care about. DTP provides robust:

- Level 1 and Level 2 EFT training as established by AAMET International.
- Pre-Training readiness online course ensures that participants are prepared to delve into the benefits of EFT.

Your Host:

Nancy is a Clinical Member of the Ontario Society of Psychotherapists (retired), leadership coach, corporate consultant, award-winning entrepreneur and successful business owner.
